Roadwork begins along Illinois Route 21

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane reductions will occur along Illinois Route 21 in Buffalo Grove and Riverwoods, for a resurfacing project beginning, weather permitting, Monday, April 6.

In order to complete the work, IL 21 will incur daily lane closures during daytime hours and some possible evening hours, between Lake Cook Road and Illinois Route 60. Roadwork will involve several resurfacing operations working simultaneously throughout the project.

The project will be complete by the end of August.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
